(v) Denotes suitable for vegetarians. (ve) denotes suitable for vegans. (gf) denotes gluten free. Please inform a member of the team if you suffer from any food allergy so that the appropriate information can be provided to you for each dish. We make every effort to ensure that products containing gluten are not used in the production of those items we identify as 'not containing gluten'. However, we cannot guarantee that these menu items are gluten free because we prepare them in an environment where products containing gluten exist. Please be aware that the snack boxes are not chilled or insulated therefore we would advise that you store your snack box in a shaded part of your car or boat and consume within an hour of departure from the hotel especially if the weather is hot. Should you require a cool box please contact Guest Relations (extension 3616) who will assist you.
